MAJ. GEN. CLINTON B. FISK is the Commissioner of the Freedmen's Bureau for Kenwelty, Tennessee, and North Alabama. Last japuary he made a speech in Cincinnati, the statements whereof were, at the time, contradicted by the Kentucky press. The Legislairre of that State though the matter of importance enough to demand its action, and it consequently adopted the following resolutions. which were approved on the thirtieth of Jan-

Whereas, It is represented in the public journals that Major General Clinton B. Fisk, the head of the Freedmen's Bureau in Kennucly, did, on the 18th instant, deliver an address in the City of Cincinnati, Ohio, in which he made, among others, these statements:
"Only the day before yesterday, in Lexington, thirteen discharged colored soldiers stood in the treets, in full sight of Henry Clay's monument, with their bodies lacerated, their backs bleeding from the cruel lash, their heads cut to the scalp, and one or two of them with their eyes or out! And what for, do you suppose? Siming for their wives and children! I appealed to the civil authorities in their behalf, but was told that there was no law in Kentucky to help her. I heard there of a slave to be sold on a certain day. I made an arrangement with the master commissioner to buy him myself, as the last slave to be sold in Kentucky;" and

Thereas, It is believed that those statemeans have no foundation in fact, and are calalse light before the country; therefore Be it resolved, That a committee of two from

as House, and one from the Senate, be ap-pointed, whose duty it shall be to proceed immediately to the City of Lexington, and asceririe the truth or falsity of the statements lleged to have been made by said Fisk; and est said committee, notify General Fisk by meil of their appointment, in order that he may oper before the committee, if he so desire, and communicate to them the name of the per-30g by whom the truth of the statement made or him can be established, and the name of the givil officer by whom the opinion mentioned by him was given, and reporte to this General scembir

The Committee was composed of Messrs I. L. Ondley of the Senate, and B. F. Buckper and J. M. Armstrong of the House.

from the day of their appointment to the Into of May these gentlemen did all they could to reach General Fisk, in order to get the proof o his assertions; but he persistently refused to west them, and kept out of their reach. The Committee being satisfied that they could not hope to get him to appear before

them, made their report to Governor Bramlette on the 17th of May. They said:
We can but reiterate the opinion formerly
expressed to the Assembly, That the charges

nade by General Fisk in reference to the maltreatment of negro soldiers in the vicinity of terington, and the conduct of the civil authorities of the State toward offenders of that class, are false and clanderous.' he simple fact that, after four months of

delay, while suffering under the most public contradiction, and constantly expressing his millingness and ability to establish by proof the win of his statements, General Fisk has failed to furnish either to the committee or the or blie the name of a single negro who had been overaged as charged by him, or the name of a cingle person who had committed such an outere, or of a single witness who had witnessed ts commission, would be to their minds conclusive that no such outrage had been commited; and the testimony heretofore reported by hera confirms that conclusion as strongly as regative testimony can do.
